

# Skat Scat Raggedy Cat Candlewick Biographies Ella Fitzgerald

**Tanya Lee Stone**

*Skat-scat Raggedy Cat* Roxane Orgill,2010 Follows the beloved American jazz singer's rise to fame, describing the difficult historical and cultural factors that she overcame.

**Skat-Scat Raggedy Cat: Candlewick Biographies** Roxane Orgill,2012-12-26 A swinging bio of young Ella Fitzgerald, who pushed through the toughest of times to become one of America's most beloved jazz singers. When Ella Fitzgerald danced the Lindy Hop on the streets of 1930s Yonkers, passersby said good-bye to their loose change. But for a girl who was orphaned and hungry, with raggedy clothes and often no place to spend the night, small change was not enough. One amateur night at Harlem's Apollo Theater, Ella made a discovery: the dancing beat in her feet could travel up and out of her mouth in a powerful song — and the feeling of being listened to was like a salve to her heart. With lively prose, Roxane Orgill follows the gutsy Ella from school-girl days to a featured spot with Chick Webb's band and all the way to her number-one radio hit A-Tisket, A-Tasket. Jazzy mixed-media art by illustrator Sean Qualls brings the singer's indomitable spirit to life. Back matter includes resources for further information, and an index.

*Mister and Lady Day* Amy Novesky,2017-02-07 Billie Holiday—also known as Lady Day—had fame, style, a stellar voice, big gardenias in her hair, and lots of dogs. She had a coat-pocket poodle, a beagle, Chihuahuas, a Great Dane, and more, but her favorite was a boxer named Mister. Mister was always there to bolster her courage through good times and bad, even before her legendary appearance at New York's Carnegie Hall. Newton's stylish illustrations keep the simply told story focused on the loving bond between Billie Holiday and her treasured boxer. An author's note deals more directly with the singer's troubled life, and includes a little-known photo of Mister and Lady Day!

*If I Only Had a Horn* Roxane Orgill,1997 Orgill's vivid words and Jenkins's dramatic pictures combine to tell the story of a boy who grew up to be a giant of jazz--the legendary and beloved Louis Armstrong.

**Ella Fitzgerald** Stuart Nicholson,2014-07-22 Stuart Nicholson's biography of Ella Fitzgerald is considered a classic in jazz literature. Drawing on original documents, interviews, and new information, Nicholson draws a complete picture of Fitzgerald's professional and personal life. Fitzgerald rose from being a pop singer with chart-novelty hits in the late '30s to

become a bandleader and then one of the greatest interpreters of American popular song. Along with Billie Holiday, she virtually defined the female voice in jazz, and countless others followed in her wake and acknowledged her enormous influence. Also includes two 8-page inset.

**I See the Rhythm** Toyomi Igus, 2005-09 Chronicles and poetically captures the history, mood, and movement of African American music.

**Play, Louis, Play!** Muriel Harris Weinstein, 2010-12-07 Presents the early life of the famous African American cornet player, describing his humble beginnings on the streets of New Orleans to his emergence as a legend among the biggest jazz clubs of the city.

**Manfish** Jennifer Berne, 2012-10-26 A colorfully illustrated biography of a little French boy who would become an internationally known oceanographer and champion of the seas. Once upon a time in France, a baby was born under the summer sun. His parents named him Jacques. As he grew, Jacques fell in love with the sea. He dreamed of breathing beneath the waves and swimming as gracefully as a fish. In fact, he longed to become a manfish. Jacques Cousteau grew up to become a champion of the seas and one of the best-known oceanographers in the world. In this lovely biography, poetic text and gorgeous paintings come together to create a portrait of Cousteau that is as magical as it is inspiring. Praise for Manfish “Berne offers a luminous picture-book biography about Jacques Cousteau . . . Puybaret’s smooth-looking acrylic paintings extend the words’ elegant simplicity and beautifully convey the sense of infinite, underwater space.” —Booklist (starred review) “This moving tribute to the great nautical observer and filmmaker is shot through with an authentically childlike sense of adventure and the thrill of discovery . . . This poetic profile of a doer and a dreamer is certain to inspire fresh interest in discovering, and in caring for, our world’s wonders.” —Kirkus Reviews (starred review) “A new generation of children is introduced to the pioneering oceanographer and filmmaker. Beginning with Cousteau’s childhood in France where he marveled at the sea and dreamed of breathing underwater, Berne reveals the unique mix of curiosity, ingenuity, and passion that drove Cousteau to make underwater exploration possible.” —School Library Journal

**Michelle Obama** Carole Boston Weatherford, 2010 A picture-book biography of the first U.S. African-American first lady.

**Jazz Day** Roxane Orgill, 2019-03-19 What happens when you invite as many jazz musicians as you can to pose for a photo in 1950s Harlem? Playful verse and glorious artwork capture an iconic moment for American jazz. When Esquire magazine planned an issue to salute the American jazz scene in 1958, graphic designer Art Kane pitched a crazy idea: how about gathering a group of beloved jazz musicians and photographing them? He didn’t own a good camera, didn’t know if any musicians would show up, and insisted on setting up the shoot in front of a Harlem brownstone. Could he pull it off? In a captivating collection of poems, Roxane Orgill steps into the frame of Harlem 1958, bringing to life the musicians’ mischief and quirks, their memorable style, and the vivacious atmosphere of a Harlem block full of kids on a hot summer’s day.

Francis Vallejo's vibrant, detailed, and wonderfully expressive paintings do loving justice to the larger-than-life quality of jazz musicians of the era. Includes bios of several of the fifty-seven musicians, an author's note, sources, a bibliography, and a foldout of Art Kane's famous photograph.

**A Bike Like Sergio's** Maribeth Boelts, 2022-02-01 "Boelts lays out Ruben's ethical dilemma and emotional turmoil without preaching, and his struggle toward the moral choice . . . is both dramatic and genuine." — Publishers Weekly (starred review) Ruben feels like he is the only kid without a bike. His friend Sergio reminds him that his birthday is coming, but Ruben knows his family can't afford that. So when Ruben sees a dollar bill fall out of someone's purse, he picks it up and puts it in his pocket. But when he gets home, he discovers it's not one dollar or even five or ten — it's a hundred-dollar bill, more than enough for a new bike just like Sergio's! Finders keepers, right? Presenting a relatable story with subtlety and heart, the creative team behind *Those Shoes* pairs up again for a story about how hard it can be to do the right thing.

**Ella Fitzgerald** Andrea Davis Pinkney, 2009-01-23 Scat Cat Monroe narrates a celebration of the life and career of the first lady of song, noting her distinctive style and far-ranging impact upon contemporary music.

**Ella Queen of Jazz** Helen Hancocks, 2018-09-26 Ella Fitzgerald sang the blues and she sang them good. Ella and her fellas were on the way up! It seemed like nothing could stop her, until the biggest club in town refused to let her play... and all because of her colour. But when all hope seemed lost, little did Ella imagine that a Hollywood star would step in to help. This is the incredible true story of how a remarkable friendship between Ella Fitzgerald and Marilyn Monroe was born - and how they worked together to overcome prejudice and adversity. An inspiring story, strikingly illustrated, about the unlikely friendship between two celebrated female icons of America's golden age.

**Footwork: Candlewick Biographies** Roxane Orgill, 2013-03-12 "Informative, with spry visuals...A class act." —Publishers Weekly (starred review) In this fascinating story of child stars who dance their way to knockout success on Broadway and beyond, Roxane Orgill and Stéphane Jorisch team up for a bravura performance, capturing the sophistication, fluidity, and grace of two of the biggest names in dance history, Fred and Adele Astaire. Back matter includes an author's note, suggestions for further reading, suggested resources, and an index.

**The Pilot and the Little Prince** Peter Sís, 2014-07 Antoine de Saint-Exupéry was born in France in 1900, when aeroplanes were just being invented. He always dreamt of flying, and when he became a pilot as a young man, his adventures truly began. He was one of the first pilots to deliver mail by plane and, along with his fellow pilots, helped to create new routes to faraway places. Antoine flew over mountains and deserts, battled winds and storms, and even tried to break aviation records. He also crashed a number of times. From his plane he reflected on life on the earth and in the skies, and this inspired him to write about his experiences.

**Footwork** Roxane Orgill, 2007 Capturing the grace and beauty of the two biggest names in dance history, this fascinating

glimpse into the lives of siblings Fred and Adele Astaire traces their extraordinary journey to success on Broadway and in Hollywood.

**Callaloo** Marjuan Canady,2013-11-18 Winston, a young American boy who lives in New York City, eats all the callaloo prepared by his aunt. He is then sent to the store to buy more ingredients and on the train he is magically transported to Tobago where he visits his grandmother. During the trip, Winston learns about folkloric figures such as Papa Bois and La Diabliesse.

*Elizabeth Leads the Way* Tanya Lee Stone,2008-04-29 Simple text describes how Elizabeth Cady Stanton became an educated woman and worked to reform laws so that women would have just as many rights as men, including the right to vote.

**Van Gogh and the Post-Impressionists for Kids** Carol Sabbeth,2011-05 A collection of artwork for children by Vincent van Gogh and other French artists.

**The Sound That Jazz Makes** Carole Boston Weatherford,2000-04-01 A symphony of sound and color, *The Sound That Jazz Makes* is an eloquently rendered celebration of a remarkable heritage. Author Carole Boston Weatherford's lyrical stanzas combine with the power of luminous oil paintings by Coretta Scott King New Talent winner, Eric Velasquez (*The Piano Man*) to trace the development of jazz. From African forests to wooden slave ships to Harlem nightclubs, the tragic and joyous legacy of the African-American experience gives jazz its passion and spirit.

## **Skit Scat Raggedy Cat Candlewick Biographies Ella Fitzgerald** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change.
