Lon Milo DuQuette

Practical Angel Magic of Dr. John Dee's Enochian Tables Stephen Skinner, David Rankine, 2010-09 The invocations personally used by John Dee to call the angels were written in Latin. Shortly after his death an expanded version of these was written in English, a fraction of which was used by the Hermetic Order of the Golden Dawn. This volume presents the English text in its entirety.

Practical Angel Magic of John Dee's Enochian Tables John Dee, Stephen Skinner, David Rankine, 2004 Stephen Skinner has been interested in magic for as long as he can remember. He wrote, with Francis King, the classic *Techniques of High Magic* in 1976. He followed that with *Oracle of Geomancy and Terrestrial Astrology* which has become the standard work on Western divinatory geomancy. Books on Nostradamus and Millennium Prophecies followed in highly illustrated editions. Stephen is also the author of eight books on feng shui, including the first one written in English in the 20th century. In the 1970s he was responsible for stimulating interest in John Dee and Enochian magic by publishing the first reprint of Casaubon's *True and Faithful Relation of What Passed for Many Yeers between Dr John Dee and some Spirits.* and Dr Donald Laycock's key reference book on the angelic language *The Complete Enochian Dictionary*. With David Rankine, he discovered what happened to Dee's most important manuscript, his personal book of angelic invocations which he kept in Latin, and how it was preserved and developed in the 17th century into a full working Enochian system. Only ten percent of this material reached the unpublished archives of the Hermetic Order of the Golden Dawn, and even this was then suppressed by the chiefs of the Order, so it did not appear in Israel Regardie's monumental work on the Order rituals and documents. They have also traced the routes down which were passed the classic techniques of invocation and evocation from late mediaeval grimoires, through Dee's magic, via Ashmole, and the aristocratic angel magicians of the 17th century, and Frederick Hockley to the senior magicians of the Golden Dawn.

Impeccably researched and clearly organized, this book is the definitive primer on a topic that has captivated esotericists for centuries. Explore the history of Enochian cosmology, the angels and the spirits of the system, the temple setup, and the making and usage of the

tools. Learn the secrets of John Dee's classical Enochian system as well as the modern system developed by the Golden Dawn. Practice the rituals of the new and the old...and summon the angels who guard the gates of heaven. Praise: Aaron Leitch has done a remarkable job of clarifying the Enochian system for the benefit of both beginners and advanced magicians alike. You will not find a better introduction to Enochian magick anywhere.—Chic and Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn and co-authors of *The Essential Golden Dawn* In the complex and often confusing world of Enochian magick, Aaron Leitch has accomplished the seemingly impossible by bringing clarity and precision while never oversimplifying or speaking down to the reader.—Donald Michael Kraig, author of *Modern Magick* An indispensable addition to any Enochian magician's bookshelf.—Frater Yechidah, author of *Enochian Magic in Theory*

John Dee's Five Books of Mystery John Dee, Joseph H. Peterson, 2003-01-01 Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a true Renaissance man? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of *John Dee's Five Books of Mystery* is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

Enochian Magic for Beginners Donald Tyson, 2002-09 The most remarkable artifact in the entire history of spirit communication is the legacy of the Enochian angels, who presented themselves to the famed Elizabethan mathematician Dr. John Dee through his seer, alchemist Edward Kelley, between the years 1582-1589. Now, *ENOCHIAN MAGIC FOR BEGINNERS* provides this system in its complete and original form. 53 illustrations.

John Dee's Conversations with Angels Deborah E. Harkness, 1999-11-13 John Dee's angel conversations have been an enigmatic facet of Elizabethan England's most famous natural philosopher's life and work. Professor Harkness contextualizes Dee's angel conversations within the natural philosophical, religious and social contexts of his time philosophy, and the apocalypse, and argues that they represent a continuing development of John Dee's earlier concerns and interests. These

conversations include discussions of the natural world, the practice of natural philosophy, and the apocalypse.

The Lost Art of Enochian Magic John DeSalvo,2010-05-14 A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

Enochian Vision Magick Lon Milo DuQuette,2019-09-01 "The greatest guide ever written—by our greatest living teacher of magick—to the greatest occult system on Earth." —from the forward by Jason Louv, author of *John Dee and the Empire of Angels* Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of "calls" to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv.

Enochian Magic and the Higher Worlds John DeSalvo,2015-03-16 A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power

of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

The Enochian Magick of Dr John Dee John Dee,Geoffrey James,1984 You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read *The Enochian Magick of Dr. John Dee* by Geoffrey James (previously published as *The Enochian Evocation of Dr. John Dee*). This system was received by Dr. John Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before. Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee, which reveal the entire system so you can use it for a wide variety of magical purposes. Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can recreate their experiments and tap into some of the most powerful magick available.

The Angelical Language, Volume I Aaron Leitch,2010 Based on the journals of Dr. John Dee and Edward Kelley.

The Enochian Evocation of Dr. John Dee Geoffrey James,2009-06-01 Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1582 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change

the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

John Dee and the Empire of Angels Jason Louv,2018-04-17 A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee’s scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee’s fragmentary Spirit Diaries and examines Enochian in precise detail and the angels’ plan to establish a New World Order • Explores Dee’s influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I’s court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original “007” (his crown-given moniker), even invented the idea of a “British Empire,” envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee’s fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee’s life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee’s influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

The Complete Enochian Dictionary Donald C. Laycock,Edward Kelley,John Dee,2023-06-05 The complete reference for understanding the Enochian language (“the language of the angels”), the proper pronunciation of the letters of the

Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee's efforts furthered the development of the system of Enochian magic and his methods of invocation have been taken up and expounded upon by Aleister Crowley and many other magicians. Donald C. Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian dictionary. The result is a fascinating linguistic and magical mystery story integral to any study of the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put *The Complete Enochian Dictionary* to the test with astonishing results. This book is a must-have for any serious magician's library.

The Practice of Enochian Magick Aleister Crowley, 2019-12-01 The influential occultist distills the sixteenth-century writings of Elizabethan Magi John Dee and Edward Kelly in this authoritative and accessible volume. Enochian magick is a powerful system of ceremonial magic based on the writings of John Dee and Edward Kelly, who claimed that their information was presented to them directly from angels. It is named after the biblical prophet Enoch and is perhaps the most powerful and elegant of all magical systems. Dee and Kelley's work has formed the basis for countless magical systems, such as the Hermetic Order of the Golden Dawn, and has inspired magicians from all the generations that followed, including Crowley himself. This book presents readers with the Enochian selections from Crowley's semiannual magical journal *The Equinox*. It features Crowley's distillation of the work of Dee and Kelley along with an introduction by Lon Milo DuQuette, master occultist.

Gain an in-depth knowledge of Enochian magic. Learn how to derive the names of angels from the various tablets. Discover the purpose of the tools. Ponder the mysteries of the more obscure parts of the system, with Yechidah's suggestions for what they might mean. This tome

provides a comprehensive overview of the Enochian system for both scholars and magicians, with excerpts from Dee's diaries and insights from a number of Enochian magicians over the last century. Enochian Initiation Frater W.I.T., 2006-06-15 Experience a new reality through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism. It was developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm. Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his life's work is to develop new methods of ceremonial magick and explore new vistas of psychic and spiritual potential.
