

Test Bank For Intermediate Accounting 13th Edition

Donald E. Kieso

Intermediate Accounting Donald E. Kieso, 2003-04-01

Intermediate Accounting, Test Bank Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2011-08-02 The bestselling book on intermediate accounting, Kieso is an excellent reference for practicing accountants and an invaluable resource for anyone entering the field. They'll learn how to leverage everyday accounting programs like Excel, GLS, and other computerized accounting software giving them a strong background in the tools needed in the accounting profession. Intermediate Accounting 14th Edition is the market leader in providing the tools needed to understand what GAAP is and how it is applied in practice. Through many editions, this textbook has continued to reflect the constant changes taking place in the GAAP environment. This edition continues this tradition, which has become even more significant as the financial reporting environment is exploding with major change. There are three areas of major importance that are now incorporated extensively into the text: New way of looking at GAAP, Convergence of U.S. GAAP and IFRS, and Fair Value Movement. The core of Kieso's value statement continues to be authoritativeness and preparation for the profession (CPA exam). New to This Edition: Expanded and Updated Coverage of IFRS: Some of this new content has been adapted from the recently published Intermediate Accounting, IFRS Accounting. In addition, readers will benefit from new end-of-chapter content and assignments specifically related to IFRS. Critical Thinking and Conceptual Understanding: Building on traditional strengths from previous editions, the new edition includes new Accounting, Analysis, and Principles review exercises to help reinforce these three important elements from each chapter. Updated Real-world Focus: Contains many new chapter-opening stories and What Do the Numbers Mean? boxes. Such applications join theory and practice, and demonstrate the use of accounting in today's business world. Professional Simulations: This edition includes updated professional simulations that model the latest version of the computerized CPA exam.

Kieso, Weygandt and Warfield's Intermediate Accounting continues to set the standard for intermediate accounting students and professionals in the field. The Fifteenth edition builds on this legacy through new innovative student focused pedagogy in the book itself and with online support. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam. The Fifteenth edition offers the most up to date coverage of IFRS and US GAAP in a presentational format suited to the complex challenges of teaching intermediate in these changing times. The WileyPLUS homework and learning platform is better than it has ever been for Kieso, with a multitude of new assessment items, multimedia resources, and enhanced functionality to ensure students will do real accounting and get real results. There have also never been so many options for accessing content, from several online only options, premium value print and digital formats, and custom versions designed to fit your needs perfectly. WileyPLUS sold separately from text.
